

The care and well-being of your pets, our patients, is our utmost concern.

Boarding Policy

*****Please Read Carefully*****

All animals entering our kennel must be current on the following vaccinations:

Dogs: DHPP (Distemper, Parvo, Hepatitis)
Bordetella
Rabies

Cats: FVRCP (Rhinothacheitis, Calici- Panleukopenia)
Bordetella
Rabies

All animals will be checked for fleas and ticks upon arrival. Any animal having fleas and/or ticks will be immediately treated with Capstar and/or a Preventic Collar at the **owner's expense** so that our boarders do not become infested.

Your pet(s) will receive a complimentary bath, at our discretion, after staying 4 nights or longer.

If an animal should get sick while boarding, it will be treated and the owner contacted as soon as possible. Payment for this service must be made when the animal is released.

Pickup times are during regular clinic hours or Sunday at 5:30PM. Sunday pickups are not allowed during holidays. You must prepay for this service and you will be charged for Sunday night. If we choose to offer a 5:30PM pickup on a holiday, you will be charged for that night and you must prepay for this service as well.
